2020 CONTINGENCY PROGRAM

Weddle Industries is proud to support off-road racing in 2020.

We will continue to offer contingency support to racers for the following: SCORE Off-Road Racing Series, Best in the Desert Off-Road Racing Series, MORE Desert Racing Series, SNORE Desert Racing Series, Texas Desert Racing Association Series, and MORR Sportsman Off-Road Racing Series.

New Series added for 2020! The Weddle UTV race prep program has continued to expand this past year as more and more racers enter these competitive classes. With this has come requests to expand our contingency program to include more sanctioning bodies that cater to the UTV racing market. Weddle Industries is proud to announce our contingency sponsorship of the WORCS Racing Series for 2020. Weddle Industries will provide a contingency award for each of the following classes in the series for 2020 and beyond: Pro 1000, Pro Stock 1000, Production 1000 Turbo, Production 1000, 1000 Stock, Production 900, and Women's. Registered UTV racers who have had their transaxle and/or diff serviced or race prepped/REM polished by Weddle Industries are eligible for our contingency awards. Customers that would also like to send their gears in for our Weddle UTV Race Prep/REM polishing will also be eligible for contingency awards. Please see below for additional details of our race contingency program.

How our program works:

1. In order to qualify for contingency awards, entrants must use Weddle products or services in their race vehicle.
2. Weddle Industries decals must be displayed prominently on each side of the vehicle during the race.
3. There must be a minimum of five (5) class entries per event in order to qualify for Weddle Contingency Awards.
4. PHOTOS AND VIDEO: We are proud to promote the success of Weddle-equipped teams. We strongly encourage the teams to submit photos or video of their vehicle at the race for additional exposure on WEDDLEINDUSTRIES.COM and other promotional spaces. Please submit media to: nick@weddleindustries.com
5. Award recipients will receive a Weddle Industries gift certificate redeemable with Weddle Industries or their transaxle builder.
6. Each contingency registration will receive two Weddle Industries T-shirts and a Weddle Industries hat.

THE MAXIMA MATCH PROGRAM. Weddle Industries is proud to continue the Maxima Racing Oils contingency partnership in 2020. **How it works:** purchase Maxima gear oil from Weddle Industries, run Maxima stickers on your race vehicle, and Maxima will match your Weddle contingency award. Great deal from a great company! See contingency registration form for participation instructions.

Weddle Racing Gears are available for Weddle MD4/MD5, S4/S5, and S4D/S5D transaxles; VW Type 1, 002, 091, and 094 transaxles; all Albins AGB/ST6, PBS and Weddle HV transaxles. We strongly recommend that you pre-register with us in order to insure that you are eligible for contingency awards. A 2020 contingency schedule and a registration form are included.

Please give us a call if you have any questions about Weddle Racing Gears or the Weddle Industries contingency program. Thanks and good luck in the 2020 racing season!
